late John O. Syme, that great credit is due Bowman, Henry, to Dr. Maston for his untiring and skillful Boyd, Lam, treatment of the wounded nam from the Bird, George, hour of receiving the wound until his death, natwithstanding there was but little, if any, bope that he could render him any permanent benefit.

Cooper, Jack.
Dorr, Evington, 3
Dickinson, John, 2
Evans, C. W. H.,

At a meeting at Picket Post, on the 7th Kirnan, John, inst., P. A. Brown was named the candidate Lively, Joseph for the Council; Dr. L. J. Wilson, Assembly; P. Gabriel, Sheriff; E. O. Stratton, Sayre, Charles N., Recorder; F. P. Massolette, Treasurer; G. Thompson, T. K., Oury, District Attorney; Aaron Mason and Upton, Steve, Win, Read, Supervisors. Florence was not White, John. repr e led at the meeting.

Mr. J. Chamberlain's mining camp has been robbed. It is supposed by Indians, of a ient, can of powder, 100 teet of windlass rope, and a wagon sheet. Hammers, picks and drills were not molested. Indians were caught stealing from Milner & Watson's camp; two houses in the vicinity of the To the Voters of Arizona? Sherman mine were broken into and robbed. In accordance with the expressed desire of

as to its capability as a silver-producing dis-trict. Mr. H. will not be satisfied, as most

doubt, before this letter reaches you the last plots of material and machinery will be on the ground in Globe. And I will simply say, the Company will not be limited for means.

I hereby announce myself as a to carry out all its plans. Mr. Bixby and thyse f expect to be on the ground to see the for Belegate to Congress at the ensuing Nobullion forth-oming early in October

L. B. CALDWELL Part of the machinery has been delayed in consequence of the unprecedented floods. The undersigned respectfully announces and monument of this survey; thence S. and bad roads between this and Yuma. Mr. himself as a candidate to represent Pinal 24 1-4 degrees E. (va. 13 d. 20 m. E.) 4.54 1-4 and had roads between this and Tuma. Mr. Indicated a stone monument Caldwell, unquestionably, is in ignorance of county in the Council of the next Legislative chains down the hill to a stone monument four feet high, marked "G. I. 3," said monthat fact, and had calculated upon the fact of Assembly of Arizona. the shipment of machinery from Yuma, of which he was apprised July 27th. The setthed weather which we now have will insure the speedy arrival of the train conveying it. To the Voters of Pinal County; The mill building is completed, and the I hereby announce myself a

place on a of Monday with thirty-two Chinamen, of the way to the Longfellow Copper Mine, Clifton. William is not favorably impressed with the superior excellence of his travelling companions; but that we attribute of their hats. Their relastial nature is what bis higher justification of the man and brother as our of place and that Samuel Jonsey. Le Le D., had classed man as a flower, to which he replied that a Chinaman was not moss post, a tuilip, or a hollyhock, but a tea leaf; and requested us to trot out S. J.—to sponge out, if he could, his classification of the profitetion of the Burlingame Treaty. We informed him Jonsey was dead—died two hundred years ago. He pansed, looked doublingly, and seld, O Pah! is he? I thought you were talking of Dobe Johnson, at d that if you were booking on the opinion of that loquacious pidividual, I had you where Jackson had the hen; but hould attract his kindly feeling, and not al-
